Why Rubiversity?

- ◆ **Experiential learning.**
Hands-on projects for each module.
- ◆ **Industry approved curriculum.**
25+ Courses, 30+ Projects, and 40+ case studies.
- ◆ **Self-Paced Training.**
180+ Hrs of Self-Paced session.
- ◆ **Exercise and project work.**
320+ Hrs of real-time projects after every module.
- ◆ **Access to Data Science Lab Toolkits.**
Pre-configured software lab access.
- ◆ **Exclusive hackathons.**
Learners are encouraged to participate in AI-ML innovation challenges .
- ◆ **Get Certified.**
Get global industry recognized certifications.

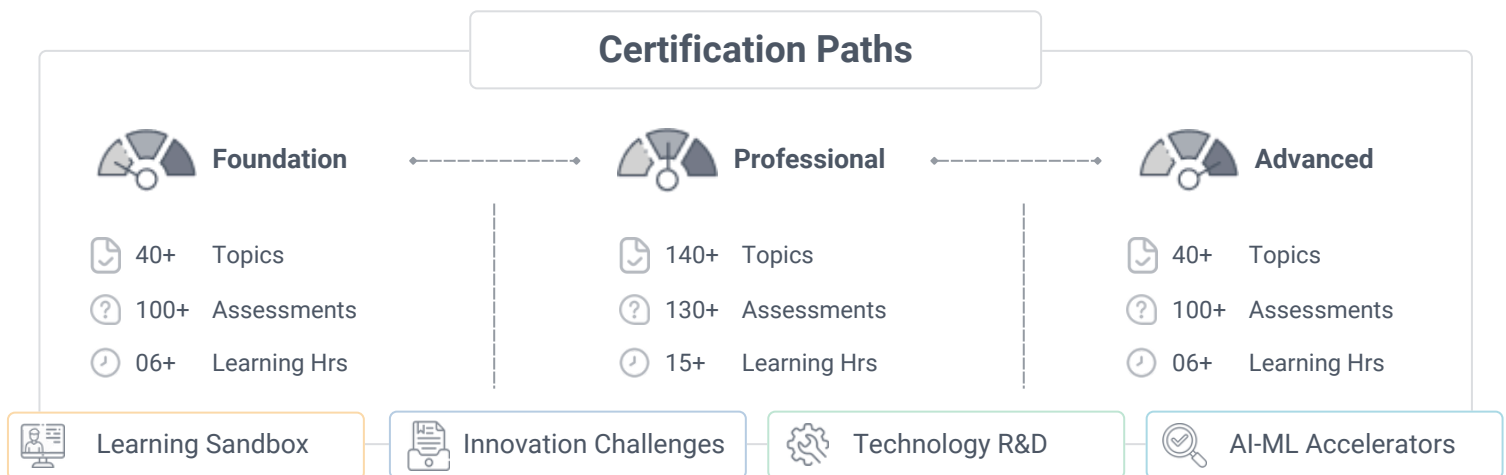

Data Science - Lab In the Box!

RubiscapeLab in the box is a pre-configured and optimized environment designed to provide individuals or organizations with hands-on experience in data science and machine learning to facilitate experimentation and learning.

Validate your skills with a Rubiscape Certification

Whether you want to fast-track your career or land one of today's most in-demand jobs, getting Rubiscape certified can help you get there. Proving that you have deep knowledge, and a specialized skill set boosts your value and sets you apart in the competition.

Earn a Rubiscape certification, share your digital badge with your network and get ready to move to the next level!

Data Literacy for All

Learn data skill fundamentals with this free online training program. This self-paced course will teach you how to explore, understand, and communicate with data.
